Congratulations on having your paper accepted for presentation at the SAS® Global Forum 2011 Conference in Las Vegas, Nevada, April 4-7. Only the contact author has received this letter; please share with any coauthors.

This letter provides details and requirements that you need to know. Please read the entire letter carefully and let your section chair(s) or me know if you have any questions regarding the content of this letter or of the responsibilities you are accepting.

First and foremost for our planning, please sign the copyright grant included with this letter and fax it to 919-677-7844 on or before **January 14**. If you cannot meet this deadline, submit a Copyright Grant Delay Form by **January 14** and send the signed Copyright Grant as soon as possible. Each paper author (except SAS employees) must sign the copyright grant. Do not send separate copyright grants from each author of multi-author papers – please send only **one** original signed by **all** non-SAS authors.

A PDF file of your final paper must be uploaded at www.sasglobalforum.org/2011 no later than **February 25, 2011**. The *SAS Global Forum Paper Presentation Guidelines* have been updated and posted at support.sas.com/events/sasglobalforum/2011/package. Please read and follow these guidelines.

Your paper title has been reviewed to ensure that SAS trademark rules have been followed. Please use this title when preparing your paper for the *Proceedings*. Your presentation schedule follows.
