

**SAS INSTITUTE INC.  
MARKETING PERMISSION  
SAS® Global Forum 2014**

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I agree to prepare and deliver a professional quality presentation (the "Presentation"), during SAS Global Forum 2014 (the "Event") to be held in Washington, DC March 23-26, 2014.

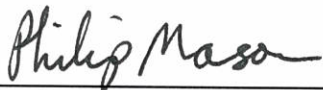

I hereby grant SAS Institute Inc., its licensees, successors, and assigns (collectively, "SAS") the full, royalty-free, worldwide permission to use my name, image, likeness, portions of the Presentation, my employer's name, text of any interviews, presentations and statements. I understand my Presentation may be live-streamed and I understand and agree SAS may use any of the Presentation, including selected portions of it, for any lawful purpose relating to its marketing and promotion of SAS Global Forum, in any media, without right of prior approval of the use. These marketing activities and media may include *sascom* articles, placement on the SAS web site (internally and/or externally) and SAS e-newsletters.

I understand and acknowledge Event attendees may publicly report on my Presentation and that not all Event attendees are affiliated with SAS. I agree SAS is not responsible for, and does not have control over, the actions of these third parties and I shall be responsible for notifying attendees of any usage restrictions related to my Presentation.

I understand and acknowledge I am acting as an independent contractor and I have no authority to make statements, representations or commitments of any kind on behalf of SAS, or to take any actions binding upon SAS.

I warrant I have full rights to grant this permission and that any materials I use in connection with the delivery of my Presentation and other materials I may provide to SAS do not knowingly infringe upon any rights of third parties. I understand that commercially reasonable care will be made to protect the accuracy of the Presentation and other materials I provide to SAS. I hereby release, discharge and agree to save harmless SAS and all other persons using the Presentation and other materials I provide under these terms from and against any and all liability arising from that use.

These terms shall be binding upon me and my heirs.
