

AV Equipment

Breakout Session

The following will be provided:

- 1 Screen.
- 1 Projector. (Depending on size of the room there maybe 2 screens and 2 projectors.)
- 1 Podium with microphone.
- 1 Wireless lavalier microphone.
- 1 Wired floor microphone with a stand for audience questions.
- 1 Laptop. (We recommend using this device to present your material. If you bring your own, we cannot guarantee that it will work properly with the equipment or connect to the Internet.)
- PC audio capabilities for sound.
- HDMI digital connectivity.
- Wired Internet is available for presenters.

Use the provided PowerPoint template to create your presentation. Desired resolution: 1280x720.

Please bring a back-up of your presentation on a USB.

If your session has two presenters or is a panel discussion, please contact sasglobalforum@sas.com.
